Ryan Frew biography

ABOUT

Based in our Washington DC office, Ryan has over 10 years of investment banking experience across M&A and capital raise transactions, specifically in the Cybersecurity & Risk and Aerospace, Defense & Government Service sectors.

Previous positions have included investment banking roles with KippsDeSanto & Co. and Chertoff Capital as well as early-stage venture investing as a member of the founding team and Associate Director of Duke University's angel investing network.

Ryan earned a B.S. from the University of Virginia's McIntire School of Commerce and M.B.A. from Duke University's Fuqua School of Business.
