Tosh Kojima biography

ABOUT

Tosh is based in our London office, and works across Europe to provide specialist advice on cross-border transactions with Asia, leveraging his 25 years of M&A experience.

Tosh set up DC's Asia Access team in Europe a decade ago, following his successful careers at Nomura and also as a strategic management consultant.

Tosh says: "My role is to bring together our deep-rooted heritage in Europe and Asia, where we are leading advisors in both geographies. In creating this unique platform to facilitate transactions between the two regions, our continuous dedication has truly bridged the transactional, cultural and linguistic gaps to position us as undisputed leaders in this field, with close to 80 successful Asia-Europe transactions completed to date."
