## León Benelbas

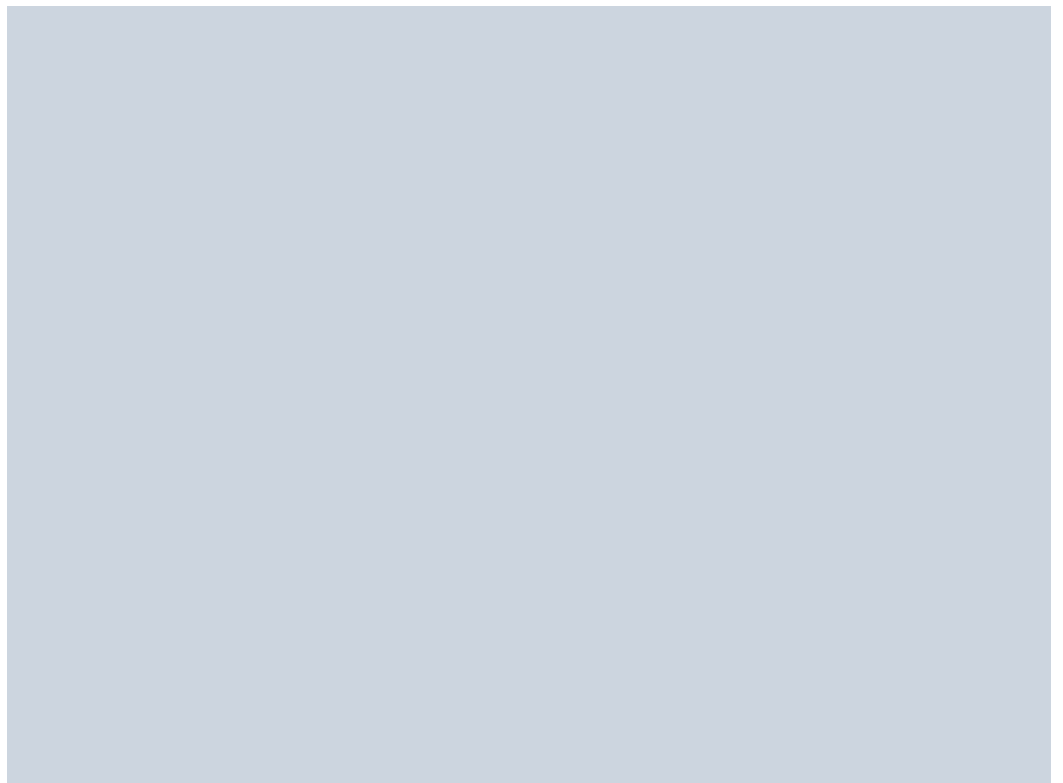

León is the Chairman of DC Advisory Spain, with over 35 years' investment banking experience.

Previously, León was Head of Montalbán, having been one of the founding partners of Atlas Capital - Atlas merged with Montalbán, which was later acquired by DC Advisory in 2019. Prior to launching Atlas Capital, he was Managing Partner of the Corporate Finance & Investment Banking division at PwC and Director General for Insurance and Pensions Funds (Ministry of Economy and Finance). He also holds a PhD in Economics from the University of Barcelona.

**León says:** "I have enjoyed becoming part of the DC Advisory 'family' and leveraging the global expertise across the business, which gives us a unique point of difference in the market here in Spain."
