Youngjin Lee biography

ABOUT

Youngjin is part of our DC Advisory Korea team, with over 25 years' investment banking experience.

Prior to joining DC Seoul, he worked at ABN AMRO where he sourced and executed corporate finance, asset backed securities and project finance transactions.

Youngjin says: "As a best chef in the space of investment banking, understanding clients' status, taste, sharing creative recipes and eventually bringing in best values and having them say "wow"- that's what has brought me here and what makes working at DC exciting."

Client testimonial: "DC never fails to deliver more than what we expected, and Youngjin is a partner that I can trust throughout the course of every transaction." *Jason Shin, Partner, VIG*
