# David Benin biography

## ABOUT

David is CEO of DC Advisory France and has more than 25 years' experience in investment banking.

Prior to joining DC in 2009, David started his career in consulting with Arthur Andersen, before moving to investment banking and roles predominantly with Rothschild & Co and Morgan Stanley.

**David says:** "Much of my career has been spent in roles covering Europe and the US, including 11 years living in various countries, which makes cross-border interactions part of my DNA in much the same way as it is a part of DC as a firm."
