Aya Yokouchi biography

ABOUT

Aya is part of our DC Advisory UK team within our dedicated Asia Access group, and brings more than 10 years' investment banking experience to the firm.

Prior to joining DC Advisory UK, Aya worked in the M&A team at DC's parent company, Daiwa Securities, in Tokyo.

Aya says: "The innovation and technological advancement being seen across the industry in recent times is fast-paced, relentless, and truly 'borderless' in nature. It is against this backdrop that I believe that we, at DC, are ideally-placed to deliver the right advice for our clients, for every transaction, in every situation."
