LOCATION

Will Shaw

Will is part of our DC Advisory Infrastructure team, working across a broad range of infrastructure subsectors and with a focus on financing.

Will joined DC Advisory in 2021. Prior to this, Will worked in NatWest's Infrastructure and Project Finance team and PwC's Infrastructure Corporate Finance practice in London.

Will says: "It's fantastic to be part of DC Advisory's market leading infrastructure team, where the variety of transactions and strong deal flow make the role so interesting. We combine deep sector expertise with the latest market insight to provide the best, truly independent advice to our clients."
