## Jonathan Paulson

Jonathan is part of our Global Infrastructure Group and has over seven years of corporate finance experience across multiple sub-sectors, with a focus on digital infrastructure.

Jonathan joined DC Advisory in 2021, previously working in the Deutsche Bank infrastructure team in London. Jonathan has a dual degree MBA from HEC Paris and NYU Stern.

**Jonathan says:** “I joined DC Advisory’s infrastructure team because of its excellent market reputation across both M&A and Debt advisory. Its high performing, entrepreneurial, and friendly culture was exactly what I was looking for.”
