Simon Borst biography

ABOUT

Simon is part of the DC Advisory Germany Infrastructure team, based in Frankfurt, working on M&A mandates across a broad range of Infrastructure sectors, with particular expertise in Digital Infrastructure.

Previous roles include ING, where Simon supported the growth of the corporate finance, M&A franchise in Frankfurt.

Simon holds a M.Sc. in Finance from EBS Business School and B.Sc. in Business Administration from University of Bayreuth.

Simon says: "I joined DC's Infrastructure team because of its strong reputation as a market leading infrastructure advisor. Our variety of projects with high calibre clients, the excellent team environment combined with an overall entrepreneurial set-up are supporting my professional and personal development every day."
