Yousif Hanna biography

ABOUT

Yousif is part of the DC Advisory UK Technology & Software team based in London, with particular focus on B2B software (specifically education, AEC (architecture, engineering, construction), public sector, payments security), domain names & web-hosting, and IT / managed services.

Yousif's previous experience includes Greenhill and Jefferies, and he holds a Masters in Finance from Warwick Business School, achieving a Distinction, and a BSc (Hons) in Economics and Finance from the University of Bristol.

Yousif says: "DC Advisory's genuine pledge to providing our clients with right advice and the commitment to quality sets us apart. It's a pleasure to be part a dedicated team of such high calibre and the variety in transactions means every day is an opportunity to face a new challenge."

Client testimonial: "I would like to thank DC Advisory, led by Seb and Yousif, for their outstanding service and advice. They were professional, hands-on and provided considered advice that was instrumental in the successful outcome of this transaction." *Phil Davidson, Chair, BlueRunner Solutions*
