Michael Kremen biography

ABOUT

Michael is based in our Washington office and has more than 14 years' investment banking experience – specializing in the Business & Tech-Enabled Services sector with industry expertise in Education and Environment, Health and Safety (EHS).

Michael joined former DC US firm Signal Hill in 2003, before pursuing an MBA at Columbia Business School and re-joining the firm in 2010. In 2017, he was recognised as an Emerging Leader by the M&A Advisor (formerly 40 Under 40).

Michael says: “I feel fortunate to play a small role in advancing the mission of companies that help ensure the safety of the workplace, the environment and the public as a whole, as well as those that enhance access to education and promote student and professional achievement.”
