Wolfgang Kazmierowski biography

ABOUT

Wolfgang is part of our DC Advisory Germany team, with over 25 years' investment banking experience. Wolfgang was one of the founding partners of Close Brothers Germany (which was acquired by DC Advisory in 2009). He has extensive experience in the Industrials sector, including Healthcare and Chemicals.

Previous roles have included six years with Lazard in its Frankfurt-based Investment Banking group, prior to which he held senior positions at Hoechst AG, including in their Business Development/M&A department.

Wolfgang says: "I primarily work on sell-side advisory mandates for clients ranging from Private Equity funds to corporates and family offices. I am committed to the ethos that runs throughout DC: delivering the right advice in the best interests of our clients. If my client isn't satisfied, neither am I."
