LOCATION

Sam Hodgson

Sam is part of our DC Advisory UK Infrastructure team, working on both M&A and debt mandates across a broad range of Infrastructure sub-sectors including power and utilities, midstream oil and gas, transport, district heating and core-plus.

Prior to joining DC Advisory Sam worked in the Analytics team at BlackRock. Sam graduated from the University of Oxford with a MEng in Materials Science.

Sam says: "It is great to be part of a team that can offer truly independent advice to M&A and debt clients across the full Infrastructure spectrum. Since joining DC I have advised on a number of high profile transactions including the sale of Elenia Heat, acquisition of Wheelabrator and the refinancing of VTTI. I look forward to continue delivering the right advice to clients as part of DC's market leading team.
