# Hector Torres biography

**ABOUT**

Based in the Chicago office, Hector is a Managing Director in our global Healthcare team. Hector brings over 16 years' investment banking experience, specializing in M&A and strategic advisory transactions.

Before joining DC Advisory, Hector was the Co-Head of Healthcare Investment Banking at FocalPoint Partners, where he led a national team of M&A and Capital Markets professionals focused on hospitals and health systems, physician practice management, post-acute care and other related healthcare sectors.

Hector earned his Master of Business Administration degree in finance from the Syracuse University Whitman School of Management, Juris Doctorate degree from the Syracuse University College of Law, and Bachelor degree from the University of Central Florida.

**Hector says:** "My mission is to leverage my deep healthcare M&A and capital markets industry knowledge and expertise at the service of healthcare providers, entrepreneurs and financial sponsors, as they collectively shape and influence the healthcare delivery models of the future."
