ABOUT

Somdeb is a part of our DC Advisory Singapore team with over 12 years of investment banking experience primarily in the Business & Tech-Enabled Services, Financial Services and Technology & Software sectors.

Prior to joining DC Advisory, Somdeb was responsible for Business & Tech-Enabled Services and Industrials sector coverage at TC Capital- a Singapore based boutique investment bank specializing in cross border M&A across Asia. Other previous roles include transactional advisory at Ernst & Young, United Technologies Corporation in their corporate development team based in Singapore and the Tata Group based in India.
