DC Advisory advised Interactive Achievement (IA) on its sale to PowerSchool

DC Advisory* is pleased to announce that its client, [Interactive Achievement \(IA\)](#), the leading provider of award-winning standards-based instructional assessment and analytical solutions for school districts, has been acquired by [PowerSchool Group LLC](#), a portfolio company of [Vista Equity Partners](#).

IA's proprietary assessment and reporting tools allow educators to make data-driven decisions to raise student achievement and are used in 13 U.S. states, including nearly all Virginia public schools. PowerSchool is the #1 leading provider of K-12 Student Information Systems (SIS), supporting 40 million users and over 15 million students in more than 70 countries.

"We are excited to join the PowerSchool team and reach new customers. Our tools will help provide a better experience for students, teachers, and parents in the K-12 educational community," said Jon Hagmaier, CEO and co-founder of IA.
