Martin Krastev biography

ABOUT

Martin is part of our DC Advisory UK team, with over 13 years' investment banking experience in the Infrastructure sector, including utilities, renewables, district heating, midstream oil and gas, smart meters and rolling stock.

Prior to joining DC, Martin worked as an Investment Manager at Basalt Infrastructure Partners. Martin started his career at Macquarie Capital in their Power, Utilities & Infrastructure coverage team.

Martin says: "I joined DC Advisory as it offered a great platform for me to build an M&A business focused on Energy & Infrastructure."
