## Tommaso Zanobini

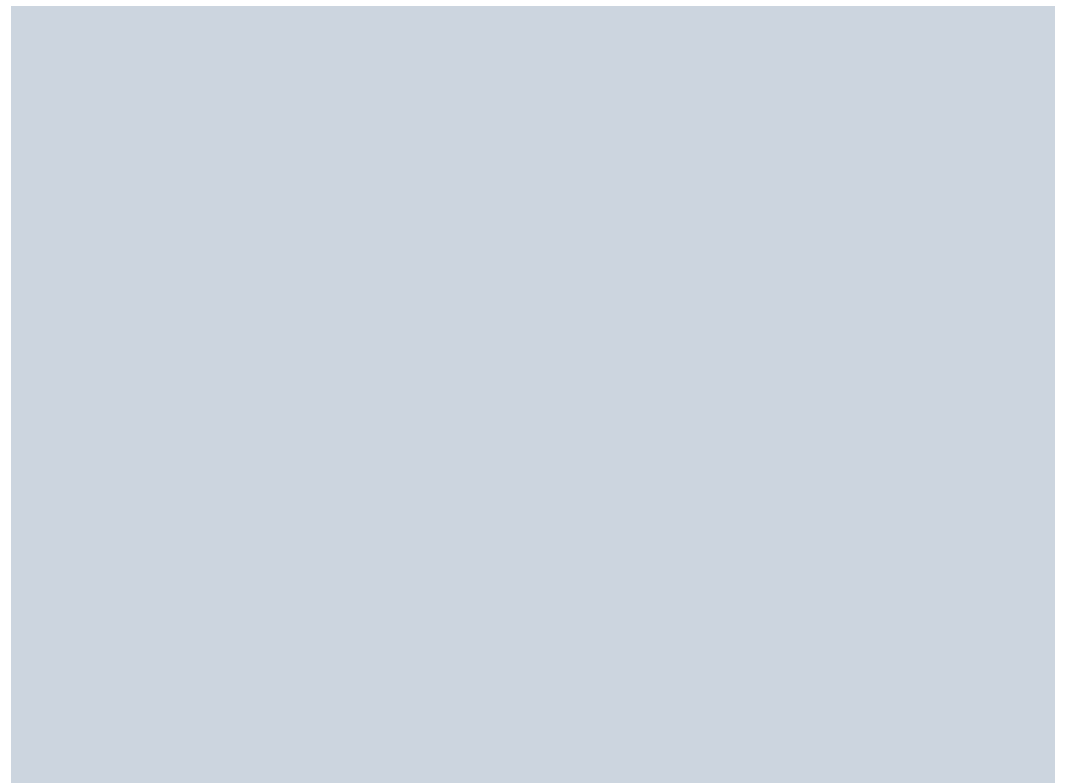

Tommaso is part of our DC Advisory Technology & Software team based in San Francisco with nearly 30 years of investment banking experience, specializing in FinTech.

Prior to joining DC Advisory, Tommaso most recently was Global Head of FinTech at Moelis & Company, leading on transactions including the sales of Transact and First Data's European assets, and the follow-on offering for First Data. Previously, Tommaso held senior positions at Lehman Brothers, Barclays, Jefferies and Deutsche Bank.

Tommaso holds a M.B.A. in Finance & Accounting from the Columbia Business School in New York and graduated from the Università Degli Studi di Firenze with a B.S. in Economics. Tommaso speaks Italian, English and Spanish.
