ABOUT

Giuliano was one of the founding members of our DC Advisory Italy office and brings with him some 15 years' investment banking experience.

Prior to joining DC, Giuliano spent 12 years at Lazard and two years at Mediobanca, with a total transaction experience of over EUR 30 billion.

Giuliano says: "I strongly believe DC's global scale, combined with its local insight and entrepreneurial spirit, gives us the flexibility to meet our clients' complex needs in a rapidly changing environment. Providing clients with the right advice anywhere is what can make a difference."
