# Nicolas Cofflard biography

**ABOUT**

Nicolas joined the DC Advisory Paris team in 2016 to lead the Debt and Restructuring advisory practice, bringing over 15 years of financing experience. Previous roles have included Director at the Royal Bank of Scotland and Inspecteur at Société Générale.

Standout transactions led by Nicolas include the €345m unitranche acquisition financing for Naxicap on Siblu Group, Elivie's €360m 1st lien / 2nd lien refinancing (externally rated); advising Looping Group on its 1st out / 2nd out refinancing, first of its kind in France; the €340m all senior acquisition financing for Omers PE on Trescal (externally rated).

**Nicolas says:** "The financing of mid-market transactions has experienced massive changes in recent years, with the rise of alternative institutional financing. This creates multiple new opportunities for our clients. I enjoy the integrated approach we offer at DC; having the relevant teams working on a given situation is simply the best way to address our clients' needs over the cycle."
