DC Advisory advised Vivid Learning Systems on its sale to the Health & Safety Institute

DC Advisory is pleased to announce that its client Vivid Learning Systems (OTC: VVDL) has been acquired by Health & Safety Institute, a portfolio company of the Riverside Company and a leader in the Environment, Health & Safety (EHS) software, training and compliance services industry. Vivid is one of the nation's fastest-growing providers of online, subscription-based safety training.

Vivid's market-leading solutions promote employee safety and well-being, while ensuring compliance with OSHA, MSHA and DOT regulations for customers in the manufacturing, utility, mining, food, education, government and construction end-markets. Vivid designs its flexible content to maximize the training experience and outcome through interactivity, promoting engagement that enhances retention and yields safe working behaviors.

DCS Advisory's EHS practice strives to be the advisor of choice for companies providing workplace, environmental, product, and food-related safety and compliance solutions globally.

The DCS Advisory team provided expert guidance and a highly personalized approach as we evaluated strategic alternatives for our business. Their deep understanding of the EHS space and strong network is second to none.
