Masashi Kubota biography

ABOUT

Masashi is part of our DC Advisory Japan team, with over 18 years of investment banking experience.

Masashi has an extensive background in corporate finance, which includes mergers and acquisitions, public stock offerings, initial public offerings, public and private debt offerings.

Previous roles have included Head of Coverage in the Technology & Software, Media & Telecoms and Electronics sectors.

Masashi holds an MBA from Keio University and a B.A. in Economics from Doshisha University.

Masashi says: "I have been engaged in financing and M&A since I joined Daiwa in 2005. I have advised from start-ups to large corporations on a variety of equity and debt offerings and M&A transactions."
