Matt Fiore biography

ABOUT

Matt is part of our DC Advisory US team with nearly 20 years' investment banking experience.

Prior to joining DC, Matt was a Managing Director at Signal Hill, which was acquired by DC Advisory in 2018.

Matt says: "I take pride in building great teams, rolling up our sleeves together, and delivering phenomenal outcomes for our clients."

Client testimonial: "Our longstanding relationship with the DC Advisory team, led by Matt Fiore and Eric Wagner, has proved invaluable as they have helped us navigate the strategic options laid before us. Their Cybersecurity industry expertise and knowledge of the investor universe and transaction dynamics enabled us to run a quick and efficient process when the time was right to choose the best partner for our next stage of growth and success." *Rob Davis, Founder & CEO, Critical Start*
