# DC Advisory advised Truckstop.com on its growth investment from Bregal Sagemount

DC Advisory\* is pleased to announce that its client [Truckstop.com](#) has received a growth equity investment from [Bregal Sagemount](#), a growth-oriented private equity firm, in a transaction that expands upon the firm's expertise and domain knowledge within the transportation, logistics, and supply chain software sectors. Internet Truckstop Group (ITG) is the leading provider of end-to-end technology solutions throughout the freight execution lifecycle in North America.

Truckstop.com, ITG's flagship property, offers innovative technology and freight-matching solutions for the freight transportation market. The investment will support ITG's continued expansion of services, market reach, and value-add to its customers.

The transaction also represents the expansion of DC Advisory\*'s private placements capabilities.

The DC Advisory\* team, led by Dave Dolan and John Roediger, developed an efficient and technical process that created a great outcome for ITG. The DC Advisory\* team added tremendous value every step of the way, and we look forward to working with them on future transactions.

Paris Cole  
CEO of ITG

ITG is the recognized pioneer and leader in connecting transportation. We're thrilled that DC Advisory\* understood their business, strategic

goals and Sagemount's model well enough to know that the time was right for this partnership.

Phil Yates

Founding Partner at Bregal Sagemount, who will join ITG's Board of Directors
