

## **IBI CORPORATE FINANCE POWERED BY DC ADVISORY ANALYST GRADUATE PROGRAMME 2027**

*IBI Corporate Finance is powered by DC Advisory, an international investment bank committed to making a difference. Following DC Advisory's 2023 acquisition of IBI, we are now the first and only independent international investment bank in Ireland, offering clients access to international buyers and assets via 700+ bankers in 24 locations, across 11 industry verticals.*

This role supports the Corporate Finance Team in providing financial advice to public and private companies. The successful candidate will be an integral member of IBI's advisory team involved in client and project team interactions.

We are offering a competitive remuneration package, full exam support (ACA or CFA) and an in-person 3-week investment banking training programme in London for the right candidate.

### **Principal responsibilities:**

- Carry out detailed market research
- Develop and maintain databases of relevant market information such as investment transactions and developments
- Conduct financial modelling and company valuations including market and technical sensitivity analysis
- Take ownership of the preparation, compilation and delivery of key transactions and marketing documentation (in PowerPoint, Word and Excel) for clients in relation to merger & acquisition and takeover activity
- Adhere to matters of compliance at all times

### **Key Requirements:**

- A very strong academic background is essential. The person must also be highly numerate
- Preferably from a financial / mathematical / engineering discipline
- Excellent Microsoft Office skills (Excel, PowerPoint and Word)
- Keen interest in M&A
- Should be a fast learner

### **Primary Competencies:**

- A high degree of accuracy and attention to detail
- Ability to work in a high-pressure environment operating to strict deadlines and juggling a number of priorities
- Entrepreneurial and creative approach to problem-solving
- Strong analytical, numerical and interpretative skills
- Excellent communication, interpersonal and relationship-building skills
- A high level of drive and commitment to the role to ensure the success of transactions
