# Kenta Nakagawa biography

**ABOUT**

Kenta is part of the DC Advisory US team based in our New York office, with over 14 years of investment banking experience.

Prior to this, Kenta worked in our San Francisco office from 2022, following his move from DC Advisory Japan. Here, Kentra was responsible for leading over 50 M&A transactions in Technology & Software, Media & Telecom, Business Services, Financial Services, Real Estate and Financial Sponsors.

Kenta also participated as a Limited Partner in the World Innovation Lab (WiL) in Silicon Valley, a US and Japan-based Venture Capital firm.

**Kenta says:** “Through cross-border M&A, I hope to contribute to the economic development of US and Asia markets, and be a part of expanding cutting-edge technology from the world's technology epicentre. I believe our deep expertise and unique global platform can provide the best solutions and the Right Advice for our clients.”
