UN SDG ACTIVITY

DC Advisory advises M&M Qualtech on its sale to Nolato

Background

- Founded in 1988, M&M Qualtech is leading Irish electronics manufacturing services provider specializing in mission-critical products for the medical device, aviation, automotive, ICT and IoT sectors
- Headquartered in Galway, M&M Qualtech employs c.220 people and provides end-to-end solutions spanning design, prototyping, manufacturing, testing and logistics
- Founded in 1938 and listed on Nasdaq Stockholm, Nolato is a global developer and manufacturer of polymer-based products and systems, serving customers through its engineering expertise, innovation capabilities and global manufacturing footprint

Process

- DC Advisory was engaged by M&M Qualtech to act as exclusive financial adviser on its sale to Nolato, providing strategic and financial advice throughout the transaction process
- Leveraging its expertise in the Industrials sector, DC Advisory delivered full transaction support throughout the process, including preparation of marketing materials, buyer engagement, due diligence coordination, transaction structuring and commercial negotiations

Outcome

- Nolato acquired M&M Qualtech in August 2026
- Financial terms of the transaction were not disclosed

— The transaction strengthens DC Advisory’s track record in advising on cross-border transactions in the Industrials sector
