## David Denzer

Based in the New York office, David works in DC Advisory's global Infrastructure team. With more than 10 years of experience, David supports clients across the infrastructure landscape, leveraging his expertise to deliver tailored advice.

Before joining DC Advisory in 2023, David worked at ANZ Bank, most recently in the Leveraged & Acquisition Finance team, where he focused on structuring and executing complex financing solutions, primarily to support sponsor-driven M&A activity.
