Klaas Oskam biography

ABOUT

Klaas leads the DC Advisory team in India and brings with him more than 23 years of investment banking experience.

Klaas joined DC from Signal Hill, which was acquired by DC Advisory in 2018. Previously he worked at Ernst & Young India, prior to which he worked across Europe - primarily with Arthur Andersen/Deloitte.

Klaas says: "Providing quality advice to disruptive TMT companies at critical junctures in their journey is what excites me! I am furthermore privileged to lead an outstanding team of M&A professionals in one of the most exciting emerging markets in the world."

Client testimonial: "I have been particularly pleased with Klaas' focus on the details; our goals; and delivering the right advice. The team's professionalism, tenacity, domain expertise, global access and process orchestration skills exceeded our expectations, resulting in the right outcome for all stakeholders." *Himanshu Aggarwal, CEO & Co-Founder Aspiring Minds*
