UN SDG ACTIVITY

DC Advisory advises Enviroguide Consulting on its sale to DNV

Background

- Founded in 2010, Enviroguide Consulting is a multi-disciplinary environmental consultancy group, specializing in the areas of environment, sustainability, waste management, planning, engineering and GPS, and land surveying
- Enviroguide supports customers in the planning and permitting process for infrastructure projects
- Enviroguide has a significant presence in the Irish consultancy market, operating in Dublin, Wexford and Kerry
- DNV is an independent assurance and risk management provider, operating in more than 100 countries

Process

- DC Advisory pitched a sell-side mandate for Enviroguide
- Following a successful pitch, DC Advisory ran a comprehensive M&A process, resulting in numerous competitive bids

Outcome

- In 2023, DNV acquired Enviroguide
- This transaction further demonstrates DC Advisory's expertise and capabilities within the Infrastructure space
