## Rich Blann biography

**ABOUT**

Based in our New York office, Rich is a Managing Director in our global Healthcare team with over 23 years of global investment banking experience.

Prior to joining DC Advisory, Richard was a Managing Director in the Healthcare Services Group at Cantor Fitzgerald. Richard has led on numerous high profile transactions, including advising Baypine on its acquisition of Pinnacle Dermatology (a portfolio company of Chicago Pacific Founders), Children's Choice Dental Care (a portfolio company of Amulet Capital) on a strategic business combination and debt refinancing, Guardian Dentistry Partners (a portfolio company of NKP Capital) on a significant debt capital raise, and D4C (a portfolio company of Cressey) on a strategic capital raise.

Richard earned his Master of Business Administration degree in finance from NYU's Stern School of Business and his Bachelor of Arts with honors from Brandeis University.

**Rich says:** "I pride myself on delivering a comprehensive set of investment banking capabilities to my clients, combined with deep sector expertise with a true partnership approach to achieve the optimal outcome. The healthcare industry continues to evolve at an increasingly rapid pace and I aim to best serve my clients for today, tomorrow, and the future."
