## Jacob Wright

Jacob is part of the DC Advisory infrastructure team based in London and has close to 10 years of experience with a focus on financing.

Prior to joining DC Advisory, Jacob was part of the infrastructure team at Lloyds Bank where he advised and provided capital markets services to key infrastructure clients.

**Jacob says:** “At DC Advisory, I enjoy the creativity we can bring to clients from our truly independent offering. The breadth and complexity of transactions, combined with the expertise of the team, means that we are at the forefront of market developments.”
