Andrew Claymore biography

ABOUT

Andrew is part of our DC Advisory UK team and brings more than 15 years' experience in the investment banking to the firm.

Prior to joining DC, he led PwC's M&A services to clients in the Asset & Wealth Management and Insurance sectors. Before this, he spent 10 years at Standard Life leading the group's Corporate Finance team.

Andrew says: "DC has the flexibility to provide advisory solutions for a complex range of client objectives, which is a huge bonus in a sector that is undergoing continually rapid and exciting change."
