DC Advisory advised Aujas Networks on its sale to NSEIT

DC Advisory acted as the exclusive financial advisor to Aujas Networks, a provider of high-end domain consulting services across the information security domain, on its acquisition by NSEIT Limited, the IT Services subsidiary of National Stock Exchange, the leading stock exchange in India.

Aujas was founded in 2008 and backed by leading financial investors, Chiratae Ventures (fka IDG Ventures India), IvyCap Ventures and Rajasthan Venture Capital Fund. Aujas has operations in India, Middle East and North America, with approximately 400 skilled cybersecurity professionals. The service portfolio spans across the information security domain, including information risk advisory, identity & access management, threat management and security analytics.

“Team DC Advisory played an incredible role during the process, displaying professionalism of the highest degree, commitment & tenacity and a work ethic worthy of emulation. They guided us through several challenging situations with patience, tact, skill and a win-win attitude. I look forward to working with them again someday,” said Mr. M. Srinivas Rao, CEO and Co-Founder of Aujas.

Mr. N Muralidharan, CEO & MD, NSEIT said “The combination with Aujas helps us offer next generation cybersecurity services and platforms to address emerging security threats. NSEIT and Aujas will focus on offering market leading solutions to customers globally. Aujas is a perfect fit due to its expertise in cybersecurity transformation services, strong team, and global customers.”
