DC Advisory advised RGL Forensics on its merger with Baker Tilly Virchow Krause, LLP

DC Advisory (DC) is pleased to announce we advised RGL Forensics (RGL), a leading global financial investigations firm, on its combination with Baker Tilly Virchow Krause, LLP, a leading professional services firm.

DC was retained by RGL to advise on the sale of the business and ran a tailored process, leveraging their international network and relationships with selected strategic bidders.

Following a highly competitive process, Baker Tilly Virchow Krause, LLP, was selected as the preferred bidder. As part of the integration, RGL has rebranded all offices globally as Baker Tilly, with the exception of the UK where they have rebranded as BTVK Advisory.

DC Advisory did a great job in identifying Baker Tilly Virchow Krause's entrepreneurial spirit, cultural alignment and well-deserved reputation that made them the right partners for our business. DC's tactical advice and process management was exactly what was needed in order to achieve this transaction. Combining our team with Baker Tilly Virchow Krause, LLP, gives us a wider platform and more delivery channels to better serve our clients.
