DC Advisory advised RightAnswers on its sale to Upland Software

DC Advisory* is pleased to announce that its client RightAnswers, an award-winning, cloud-based knowledge management system, has been acquired by Upland Software, a leader in cloud-based Enterprise Work Management software.

“We’re excited to join Upland both because of the great product fit, and because of our shared vision of 100% customer success,” said Jeff Weinstein, President and CEO of RightAnswers.

“The opportunity to leverage the UplandOne operating platform to amplify our product innovation, service, and support make this a great transaction for RightAnswers’ customers and partners,” said Mark Finkel, Chairman and Founder of RightAnswers.
