DC Advisory advised Faerch Plast on its sale to EQT Partners

DC Advisory*, alongside Danske Bank, acted as exclusive financial advisors to Faerch Plast A/S in its sale to EQT Partners for approximately \$380 million.

Faerch Plast is one of Europe's leading producers of thermoformed packaging for ready meals, fresh meat and cold foods and snacks. The Company operates three manufacturing facilities in Denmark, England and the Czech Republic as well as sales offices in France and the UK. EQT Partners, based in Sweden, is a leading private equity group in Northern Europe.
