ABOUT

Carsten is part of our DC Advisory Germany team and brings more than 15 years' corporate finance and M&A experience to the firm, primarily in the Industrial Technology and Business Services sectors.

Carsten joined DC in 2006 and has advised on numerous sell-side and buy-side transactions, across a client roster including the likes of Bosch, Diehl, EON, Mitsubishi Electric, and Viessmann.

Carsten says: "I have been at DC for such a long time because I highly value our unique international platform and strong presence in Asia, as well as our entrepreneurial, professional, and collegiate working environment. Combined with our deep sector and technology expertise, this makes us unique in the mid-market and enables us to meet our clients' challenges as they navigate the ever-changing business landscape."
