DC Advisory advised Hampson Industries on the sale of its subsidiaries to American Industrial Partners

DC Advisory* served as joint financial advisors to Hampson Industries plc (LSE:HAMP) and its U.S. operating subsidiaries on the sale to American Industrial Partners via a pre-packaged Administration sale in the UK.

Headquartered in Birmingham, UK, Hampson is a world leader in the design and manufacture of close-tolerance composite, invar and graphite tooling and assembly systems for large composite and metallic aerostructures.

Additionally, they are highly-regarded as suppliers of high-temperature composite aerostructures and transparencies. Their customers include the world's largest aerospace OEMs as well as the U.S. military.
