# Stefan Jaecker biography

**ABOUT**

Stefan is CEO of DC Advisory Germany and Poland, with more than 25 years' investment banking experience. He spends most of his time advising Private Equity clients, family-owned businesses and Corporates in more complex M&A situations across industries.

Prior to joining DC, Stefan spent 17 years at Kleinwort/Dresdner Kleinwort/Commerzbank where he held positions as Co-Head Corporate Advisory as well as Head of M&A for the DACH region.

**Stefan says:** "DC's winning 'trifecta' of a pure advisory model with global capabilities, and a culture of flexibility and entrepreneurship, is a real point of difference for our firm and motivates me every day."
