Luka Hennin biography

ABOUT

Luka is a Vice President in DC Advisory's UK team, based in the Manchester office. Luka has over seven years of transaction experience across a range of sectors including Software and Fintech, Automotive, and Business & Tech-enabled Services.

Before joining DC Advisory, Luka worked at KPMG in its Corporate Finance, Transaction Services and Deal Technology teams where he qualified as a Chartered Accountant. Prior to KPMG, Luka earned a first-class honours degree from the University of Oxford.

"It has been an absolute pleasure to work with DC Advisory. Luka and the team were fully committed to the process from commencement to completion. They clearly understood our business drivers and had a demonstrated passion and expertise to ensure that our investors fully grasped our outstanding market position and our ambitions for the future. I am delighted with the outcome and I look forward to continuing to work with the team in the future."

—Peter Waddell, CEO and Founder, Big Motoring World

"I would like to thank the DC team for their outstanding service and professional advice. The DC team has been a great partner to us throughout the process. They were thoroughly principled, hard working, and focused on getting a great result for everyone. They really took the time to understand the business before considering appropriate investment partners. Moneyhub has been growing significantly in the last few years, and we are delighted with this latest funding round which will allow us to continue on our trajectory."

— Samantha Seaton, CEO, Moneyhub
