ABOUT

Ko is part of our DC Advisory Japan team based in Tokyo, with over 16 years' investment banking experience primarily in the Industrials and Technology & Software sectors.

He has worked with Japanese major companies across subsectors including Industrial Automation & Electronics and Building Products, Energy Technology & HVAC. He also specializes in Japanese IT Services, Software, and Telecom Infrastructure markets.

Ko says: "I'm always excited to provide our services to corporate and financial sponsor clients. DC Advisory's extensive international network and mid-market M&A experience enables us to deliver a unique value proposition."
