ABOUT

Simon is part of the DC Advisory Infrastructure team based in London, with nearly a decade of investment banking experience.

He joined DC Advisory in 2015, with prior experience in Bank of Ireland's leverage finance team.

Simon says: "The Infrastructure debt market is complex and constantly evolving. It is exciting to be part of one of the most active advisory team across Europe, which is at the forefront of market developments, and to provide truly independent and leading advice to our clients."
