DC Advisory advises Bluepass Capital on the sale of Inet Support to SCSK ServiceWare Corporation

BLUEPASS CAPITAL

株式会社アイネットサポート

SCSKサービスウェア

Background

- Bluepass Capital Inc (Bluepass Capital) is a Japanese private equity fund with an ultra hands-on style and roots in management consulting
- Inet Support Inc (Inet Support) is a telecommunications service provider
- Bluepass Capital acquired Inet Support in September 2021
- SCSK ServiceWare Corporation (SCSK ServiceWare) is a business processing services provider

Process

- DC Advisory (DC) was engaged by Bluepass Capital to act as exclusive financial advisor and provide comprehensive sell-side advice on its sale of Inet Support

Outcome

- On April 12 2023, Inet Support was sold by Bluepass Capital to SCSK ServiceWare for an

undisclosed amount

- SCSK ServiceWare will be able to support the growth and development of Inet Support as it expands its services to private companies and the public sector
- This transaction demonstrates DC's deep-rooted local presence and expertise in the Japanese domestic market
