LOCATION

Eric Stewart-Moore

Eric is part of our DC Advisory UK team based in London and brings over 10 years' experience working on debt financings for private equity backed companies.

Eric has spent his career predominantly focusing on the European mid-market, working closely with private equity funds and management teams to structure and execute debt financings, sourced by both bank and fund lenders. Eric has worked as an advisor, lender, underwriter and distributor of leveraged loans.

Before joining DC Advisory, Eric worked at Bank of Ireland Leveraged Finance, most recently in their London Origination team.
