ABOUT

Henry is part of our DC Advisory Madrid team, with over 20 years of Corporate Finance / M&A experience, where he co-leads the Financial Services and Business & Tech-Enabled Services sectors.

Prior to DC, previous roles have included working at Citigroup in London and New York, before moving to Lehman Brothers in London.

Henry says: “Apart from standard M&A transactions, both buy-side and sell-side, for corporates and financial sponsors, I have developed a particular expertise in joint ventures and strategic alliances, most notably between universal banks and specialists in a variety of fields.”
