DC Advisory advised Tegrant on its sale to Sonoco Products from Metalmark

DC Advisory* acted as exclusive financial advisor to Tegrant Corporation (“Tegrant”) in its sale to Sonoco Products Co. (“Sonoco”), a publicly-traded company with sales of \$4.4 billion, for \$550 million. The acquisition of Tegrant is the largest in Sonoco’s history and will create a North American leader in multimaterial protective packaging solutions.

Tegrant is a leading manufacturer of highly engineered packaging products and specializes in retail security packaging solutions, temperature assurance packaging and highly engineered protective packaging products.
