Based in our UK office, Martyna is part of the DC Advisory Infrastructure team, with a particular focus on Debt Advisory.

Prior to this, Martyna worked in the Infrastructure and Project Finance team at NatWest. Martyna holds a MSc in Finance from Bocconi University in Milan, Italy.

Martyna says: “DC Advisory provides a unique and interesting workplace. The range and volume of transactions keep us at the forefront of the debt market evolution, allowing us to deliver specialist and truly top tier advise to our clients. It’s both intellectually challenging and extremely rewarding to be part of this environment and contribute to the market leading position of the team.”
