Anaïs Triboulet

Anaïs is part of our DC Advisory UK infrastructure team and has over eight years of investment banking experience with a focus on telecoms and digital infrastructure.

Prior to joining DC Advisory, Anaïs was part of the TMT finance team at SocGen, working across a range of lending and debt advisory mandates for key infrastructure clients.

Anaïs says: “The infrastructure team at DC Advisory is incredibly committed, always going above and beyond to deliver the best possible results for our clients. With the market leading expertise of our company, we are able to provide best-in-class independent advice, setting us apart from the competition. It is a privilege to be part of a team that is redefining the infrastructure market and making a real impact on the industry.”
