Jirasee Kasuwan biography

ABOUT

Jirasee is part of our DC Advisory Thailand team, with more than 10 years' investment banking experience.

He has advised on numerous domestic and cross-border M&A deals across Thailand and Southeast Asia in a variety of sectors, including: Energy, Power Utilities, Industrials, Logistics, and Property Sectors. He has also advised large conglomerates and financial institution clients on various foreign-currency bond issues.

He graduated with an MBA in Finance and Operations from Purdue University's Krannert School of Management, and a Bachelor's degree in Mechanical Engineering from Chulalongkorn University.
